

Please join us for

**Musicopia's 6th Annual
Perform-A-Thon
Centennial Hall at The Haverford School
450 Lancaster Ave, Haverford, PA**

**Saturday, April 16, 2016
9:00 AM to 9:00 PM**

We invite you and your students to join us for this exciting annual event designed to help Musicopia raise funds so that we may share the "Gift of Music" with underserved students throughout the Greater Philadelphia region.

Proceeds from the Perform-A-Thon help Musicopia in its mission to bring music education and performance opportunities to under-resourced schools and their students, to purchase and encourage the donation of new and used instruments, and to provide support for the Musicopia String Orchestra and Musicopia Drumline Ensembles.

Family and friends are encouraged to attend the Perform-A-Thon as audience members at no cost. The audience helps participating students celebrate their performance, hard work, and commitment to helping others.
